GOOD TO KNOW

Where are our dogs?

Our Goldies, Pera and Iva, are off duty on weekends, holidays, and busy days. During the week, they're available for brunch – but only if they're in the mood! Petting? Only by invitation! And please, don't disturb them when they're sleeping or chilling.

Oh, and just so you know: Our kitchen is for humans only – no brunch for the furry ones, no matter how cute they look at you. Thanks and enjoy your brunch!

Ready to pay?

Just swing by the register at the bar.
Card payments start at €5 – and yes, tips are welcome via card! If you prefer, feel free to drop some cash in our „Need Money for Porsche“ jar. Thanks a lot!

Allergies?

If you have any allergies or questions about our dishes, just let us know! We're here to make sure you enjoy a delicious and safe meal.

Got something on your mind?

Then talk to us directly – not Google! Praise belongs online, but if you have any concerns, bring them to us. Our goal is for you to leave happy, and the best way to do that is by solving any issues right here – not when you're already cozy on the couch.

Laptop at the table?

On weekdays, yes – if it's not too busy. On weekends and peak hours, we kindly ask you to keep them away. Thanks for understanding!
